Unless otherwise stated, all prices quoted by DSS do not include value added tax at the current rate.

PRICES

DSS reserves the right to vary the quoted price and goods will be invoiced at the price ruling at the day of dispatch unless otherwise agreed by DSS in writing.

DELIVERY DATES

Whilst DSS will do its utmost to keep its promised delivery dates, they are to be treated as estimates only. DSS accept no responsibility for loss or damage resulting from delay in the delivery of goods. Delays due to circumstances outside the control of DSS shall not entitle the buyer to cancel any order or to refuse to accept delivery.

WARRANTY CLAIM

In the event of a warranty claim DSS must be promptly notified in writing on the appropriate DSS form, and will only accept claims due to faulty materials or workmanship. Goods must be returned carriage paid for immediately upon the discovery of the defect. No credit will be given until such time as DSS is satisfied that such defects arose solely through mentioned causes and DSS has received credit from the manufacturer or supplier. DSS shall in no circumstances be liable for any consequential loss or damages. All replacement items for warranty claims will be booked out at the current DSS price.

DELIVERY CLAIMS

Damage in transit or shortage must be reported within 7 days of receipt of goods or, in the case of an undelivered consignment, within 7 days of the invoice date.
