Until the property in the goods passes to the buyer:

- a) the buyer shall hold the goods as DSS bailee, and shall keep those goods separate from all other goods and property stored, protected and insured and identified as DSS's property and
- b) the buyer shall be entitled to resell or use the goods in the ordinary course of its business, but shall have a fiduciary duty to DSS to account for the proceeds of sale or otherwise of the goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any monies or property of the buyer and third parties and , in the case of tangible proceeds, property stored, protected and insured; and
- c) DSS shall be entitled at any time to require the buyer to deliver up the goods to DSS and, if the buyer fails to do so forthwith, to enter upon any premises of the buyer or any third party where the goods are stored and repossess the goods and for that purpose the buyer hereby authorises and licences DSS to enter upon any land or building upon which the goods are situated to recover those goods.

The buyer shall not be entitled to or in any way charge by way of security for any indebtedness any of the goods which remain the property of DSS, but if the buyer does so all monies owing by the buyer to DSS shall, without prejudice to any other right or remedy of DSS, forthwith become due and payable.

CATALOGUE, PRICE LIST AND OTHER ADVERTISEMENT MATTERS

Catalogues, price lists and other material used for advertising are only an indication of the type of goods, and no other particulars contained therein shall be binding to DSS.

VAT

Unless otherwise stated, all prices quoted by DSS do not include value added tax at the current rate.

PRICES

DSS reserves the right to vary the quoted price and goods will be invoiced at the price ruling at the day of dispatch unless otherwise agreed by DSS in writing.

DELIVERY DATES

Whilst DSS will do its utmost to keep its promised delivery dates, they are to be treated as estimates only. DSS accept no responsibility for loss or damage resulting from delay in the delivery of goods. Delays due to circumstances outside the control of DSS shall not entitle the buyer to cancel any order or to refuse to accept delivery.

WARRANTY CLAIM

All new parts come with a 12 months manufacturer warranty. The warranty period starts from the date of invoice. In the event of a warranty claim DSS must be promptly notified in writing on the appropriate DSS form, and will only accept claims due to faulty materials or workmanship.

Goods must be returned carriage paid for immediately upon the discovery of the defect. No credit will be given until such time as DSS is satisfied that such defects arose solely through mentioned causes and DSS has received credit from the manufacturer or supplier. DSS shall in no circumstances be liable for any consequential loss or damages. All replacement items for warranty claims will be booked out at the current DSS price.
